

ST7150

AC85-260V:Input Voltage
50HZ-60HZ :Frequency Range
6500K:LED Color
LED Power:3x 50w
IP Grade :IP65
Aluminum heat:Shell Material
Power Cables : Power Cables
BLUE
GND
SIZE: H270MM x ϕ 260MM

Suitable places such as:
Factory building, playground, Workshop
Need for a variety of high-intensity lighting Applications.

- Import V optical Integrated Lens Integration
The transmission rate is high up to 85% color uniform and bright

- Chip
Integrated precision die-casting, rust
and corroding,
Super thick cover, safe and reliable
