

SUPRA TECH
Infinity Light Technology

 **ST7200**

AC85-260V:Input Voltage
50HZ-60HZ :Frequency Range
6500K:LED Color
LED Power:4x 50w
IP Grade:IP65
Aluminum heat:Shell Material
Power Cables: Power Cables
BLUE
GND
SIZE: H270MM x ϕ 260MM

Suitable places such as:
Factory building, playground, Workshop
Need for a variety of high-intensity lighting Applications,

- Using industrial grade high-quality power supply, waterproof plastic irrigation technology, often IC intelligent control to ensure stable current, open circuit, short circuit, overvoltage, undervoltage, automatic overload protection, real constant, ultra-stable performance
