

ST750/50W

AC85-260V:Input Voltage
50HZ-60HZ :Frequency Range
6500K:LED Color
IP Grade:IP65
Aluminum heat:Shell Material
Power Cables: Power Cables
BLUE
GND

■ Import V optical integrated Lens integration/ Imported the first brand in U.S.A chip

■ **LIGHT BODY:**High purity aluminum aviation integration settings

■ **FACE MASK:** Seiko aerospace aluminum mask will never rust

■ **RADIATOR:** Industrial cooling technology, design is conducive to air convection, heat radiation effect is more perfect, to protect the chip and drive longer life
