

## JB2200 Hook mount for Horizontal or Vertical Pipe, Pole, Ceiling Applications up to 40lbs

The JB2200 are medium duty enclosure mounts designed for applications where mounting on a pipe or pole is necessary. These mounts can be used with Universal enclosures having a 2-inch (5.08 cm) mounting hole pattern and are capable of supporting up to 40 lb (18.14 kg). All three mounts feature a manually adjustable swivel head and a cable feedthrough hole to conceal wiring. Multiple mounting holes on the tilt table provide maximum 360-degree horizontal positioning of the enclosure.
