Product Description

KleenGuard® gloves are designed to protect hands against mechanical hazards, getting the job done where safety and flexibility is key. Each hand-specific pair of gloves is available in a choice of five sizes with colour-coded cuffs and foam Nitrile coated palms for excellent dry grip. Seamless knitted nylon backing offers breathability and comfort. The gloves offer PPE category 2 protection for heavy-duty tasks in mechanical, manufacturing and construction environments, without breaking or tearing and still allowing sensitive touch for handling small parts. For other glove sizes, see product codes 40225, 40226, 40227 and 40228. 5 bags x 12 pairs hand specific, black gloves, 11, (120 total)
